it starts with a river.

From its headwaters near the Blue Ridge Parkway's Thunder Hill Overlook, the Yadkin River flows over 200 miles southeast into South Carolina, making it one of the longest rivers in North Carolina.

For thousands of years, Native Americans made their homes across the Yadkin River Valley. In the early 1700's, European immigrants and African slaves settled near the Yadkin's fertile banks, the life-sustaining river providing not only water, but also a means for fishing and travel. Its water power drove gristmills, forges, and sawmills that spurred economic development. Today, fishing, canoeing, kayaking and rafting are favorite pastimes as the river meanders around towns, farms, forests, and lush vineyards.

history around every turn in the road.

The Yadkin River valley is teeming with history. Evidence of Native American activities in the region date back 12,000 years. The landscape was heavily trod by the soldiers of two great American wars – today, historical markers are the only reminders of battles, skirmishes and trails that crisscrossed the countryside.

Experience a historic county jail, a Revolutionary War hero's home, even a Confederate veteran's gravesite that spawned an American folk legend that lives to this day.

celebrate the season.

Seasonal festivals celebrate the agriculture, music, crafts and heritage of the Yadkin Valley. MerleFest, the internationally renowned music festival founded by legendary musician Doc Watson, draws thousands each April to experience a mix of traditional and contemporary roots music.

Compete in a blackberry eating contest at the North Carolina Blackberry Festival in July, and enjoy crafts, music, food and entertainment. Enjoy the bounty of the harvest each September at the Yadkin Valley Harvest Festival. Sample the fruit of the vine each May at the Yadkin Valley Wine Festival. To see a complete list of the many festivals in our region, visit goyadkinvalley.com.

fun happens here.

If your idea of fun includes hiking, biking, kayaking and canoeing, the Yadkin Valley offers all of that and more. Visit shops, restaurants, galleries, and antique stores, take in a farmers market or festival, tour our vast array of wineries and sample award-winning wines, then spend the night at a historic bed and breakfast or hotel.

Here, you'll discover a thriving, vibrant region, proud of its history and heritage and welcoming you to partake in its bounty.

getaway, not faraway.

Some find similarities in the stunning landscape of the Yadkin Valley to other renowned wine growing areas around the world, but our region boasts its own unique character and wines – from Muscadine to Merlot, Chardonnay to Viognier. The state's wine industry traces its roots to Sir Walter Raleigh's Roanoke Island Colony, where North Carolina's native scuppernong grape was first cultivated.

The elevation, microclimates and soil composition of our protected river basin combine to make the Yadkin Valley a premier region for producing quality wine grapes.
